

Know the facts!

The mission of The Breast Cancer Research Foundation® is to achieve prevention and a cure for breast cancer in our lifetime by providing critical funding for innovative clinical and translational research at leading medical centers worldwide, and increasing public awareness about good breast health.

- *The National Cancer Institute estimates 1 in 8 women will be diagnosed with breast cancer in their lifetime.*
- *A woman will die from breast cancer every 13 minutes, on average, in the U.S.*
- *Over 90 cents of all donation dollars go directly to research grants and awareness programs.*
- *The Breast Cancer Research Foundation® is the only breast cancer organization to receive an A+ rating by the American Institute of Philanthropy.*

To learn more, we invite you to visit www.bcrfcure.org.
